*\*The psalm continues with the text provided on the following page.  
It is recommended that formula tone "D" from LSB (page xxvi) or a comparable tone in Eb major be used when chanting this psalm.*

*The envisioned performance practice for this refrain is for SAB choir to sing the refrain a cappella the first time, with congregation joining in the melody on subsequent refrains. However, the choir may sing all refrains. This refrain may also be used without a choir, with the organ playing the choir's part and the congregation (or cantor) singing the melody of the refrain.*
